Mayport Naval Base and Jacksonville Beaches Museum Tour (Thurs 5/29/25)

Come enjoy the history and culture of the largest city in the continental United States! Your professional tour guide meets the group at your hotel for a river city experience that will entertain all your senses. Our first stop this morning is Mayport Naval Station; a major Navy base that has grown to become the third largest fleet concentration in the U.S. (i.e. Cruisers, Destroyers, and Frigates). We will take a driving tour with our base guide who takes us past the barracks with the million dollar view, the fire trainer, the wet trainer, and air operations. Lunch will be at a base conference center along the ocean. We continue the tour through Atlantic Beach, Neptune Beach and Jacksonville Beach known for the slogan “Salt Life”. We will stop at the Beaches Museum to explore the vibrant history and culture of all the local beach communities. Your guide creates an interactive tour atmosphere which is fun for everyone.

Length: 6 hours.

Price: Per person price includes motor coach transportation, lunch, driver gratuity, cooler of bottled ice waters, escort and tour guide. **\$74/person** is based on a minimum of 42 people in a custom motor coach with lift. Max of 48 people.

Amelia Island and Fernandina Experience Tour (Fri 5/30/25)

We start the day with stories of the first inhabitants of the area, the Timucuan Indians. Our destination is Amelia Island which was founded by the French, settled by the Spanish, named by the English, and tamed by the Americans. It is the only area in the U.S. to have been under eight different flags! Our first stop will be at Kingsley Plantation to hear the amazing story of Anna, a former slave who rose to become a property owner. We explore the grounds which include the slave quarters, barn, waterfront, kitchen house, and interpretive garden. We take the old buccaneer trail across Ft. George Island and the Talbot Islands following the picturesque Atlantic coastline. Next we go to the quaint town of Fernandina on Amelia Island to hear the stories from the Fairbanks Folly to Florida's oldest tavern and resident ghost. The turn of the century town is filled with Victorian architecture and has the appearance of being caught in a time capsule. Lunch will be on your own in the historic district. Your guide creates an interactive tour atmosphere which is fun for everyone.
