Gerald Ira Dunlap known to most as "Jerry" passed away suddenly at his home on October 14, 2024 at the age of 83 years. He was born July 12, 1941 in Irondale, Missouri on June 20, 1964; he was united in marriage to Phyllis Louise Brush who survives. This union was blessed with a son; Troy "Skip" Dunlap Jerry proudly served our country in the United States Navy. He was a member of St. Paul Lutheran Church in Ironton. Jerry's career as a heavy equipment mechanic began in the Navy and he continued with this career for nineteen years working for Caterpillar. He was the top field serviceman for Caterpillar for twelve of those years. He then opened his own heavy equipment repair shop. Even after, he retired and moved to the Arcadia Valley, it wasn't long before he opened yet another repair shop. Jerry was blessed to truly love his work. He also enjoyed boating, especially racing sailboats. Shooting was another hobby that he shared with his son.
