Bruce was known for his kindness and quick wit. He never met a stranger and enjoyed not only his own friends, but the friends of his daughters who he stayed in touch with on a weekly basis. He was well known as a great “girl dad” and wonderful grandfather. The last weekend of his life, he spent with his daughters and grandchildren at his home playing games, grilling and just spending time together. A time his family will always cherish.

Bruce loved watching his birds and anticipating the arrival of the bald eagles on Tchula Lake that he would view and video from his well-loved Warfield Plantation located on Tchula Lake.

He attended Cruger Independent Methodist Church of Cruger, Mississippi. He graduated from Cruger-Tchula Academy in 1970. After a 3-year stint in the United States Navy, Bruce completed his education at Mississippi State University where he received his degree in Banking and Finance.
